

GRADUATE EDUCATION INSTITUTE

2024-2025 FALL SEMESTER

ANNOUNCEMENT OF QUOTAS OF FOREIGN-NATIONAL STUDENTS

Application Dates	29 July – 6 September 2024
Announcement of accepted students	12 September 2024
Exact registration dates	12 – 20 September 2024

Application processes will be done online through the application system (<http://yos.bilecik.edu.tr/>), and the originals of the registration documents must be delivered to the Institute by personally or notary power of attorney between 12-20 September 2024. Otherwise, the student loses his/her right to final registration.

CONDITIONS of FOREIGN-NATIONAL STUDENTS

Foreign Students are to be accepted to the relevant programs in line with the provisions of the “Directive on Admission and Registration of Foreign-National Students” into Graduate Programs of Bilecik Şeyh Edebali University.

APPLICATION REQUIREMENTS AND EVALUATION

Applications are going to be made on the internet address <http://yos.bilecik.edu.tr/> until 17.00 on 6 September 2024. Candidates are required to upload the documents to the system in a complete form under the title of “**The Documents that Candidates Need to Upload on the Application Screen for Pre-Registration**”, “**Ön Kayıt İçin Adayların Başvuru Ekranında Yüklemesi Gereken Belgeler**” in Turkish

- Candidates who will apply to M.Sc. programs must have a bachelor’s degree from a university recognized as equivalent by the Council of Higher Education, Yükseköğretim Kurulu (YÖK) in Turkish.

- b)** Candidates who will apply to Ph.D. programs must have a M.Sc. degree with Thesis from a university recognized as equivalent by YÖK.
- c)** Evaluation of the applications for the announced quotas, execution of the placement procedures, and resolution of the objections are carried out by the “Foreign Student Admission Commission”.
- d)** Foreign-national candidates who will apply to graduate programs;
- Candidates continue their education at the postgraduate level provided that they are certified with a Turkish proficiency level of C1 and above.
 - Candidates who do not have a Turkish proficiency certificate must take the Turkish course from our University Turkish Teaching Application and Research Center (TÖMER) or from other units accepted by TÖMER.
 - Candidates coming within the scope of International Protocols, upon request ([click for request petition in Turkish Language](#)), can take Turkish preparatory education at another Turkish Teaching Centres of State or Foundation Universities. During TÖMER Education, students within the scope of International Protocols are need to take and pass “LEE5998 Academic Turkish” course.
- e)** Students who are registered and successfully complete the STS (Placement Test) conducted by TÖMER until November 1, 2024, can start postgraduate courses in the Fall Semester of the 2024-2025 Academic Year.
- f)** Candidates who have graduated from secondary or higher education institutions in Türkiye that provide education in Turkish are not required to have a Turkish proficiency certificate and continue their education at the postgraduate level.
- g)** Candidates may apply to more than one program, but they can only register in one program. Applications are only accepted made via the internet address (<http://yos.bilecik.edu.tr/>).
- h)** In calculating the success score of the candidates, only the undergraduate graduation grade point is taken into consideration for M.Sc. applications. In applications to Ph.D. programs, only the graduate grade point is taken into consideration. The ranking of the success points of the candidates is evaluated only by using 100-point grading from the highest score to the lowest score, and their admission to studentship within the determined quota is finalized by the Decision of the “Graduate School Administrative Committee”. If the candidate does not have a 100-point grading average, the 100-point grading equivalent of YÖK’s grade conversion table is taken into account upon evaluating the ranking.
- i)** Even if the candidates’ transcripts or diplomas have points of the equivalent of the 4-point grading system of the 100-point grading system, the grade conversions are made according to the grade conversion table of YÖK.
- j)** Candidates applying to the Ph.D. or Proficiency in Art programs with M.Sc. diploma must have a M.Sc. GPA of at least 3.00 out of 4.00.
- k)** The application fee for graduate programs is **2500 TL**. (Except for applicants within the scope of International Protocols)
- For the **application fee**, IBAN No: **TR86 0001 0001 1848 3433 4753 19** (Turkish Lira Account)
 - The deposited application fee, education coaching service fee, and tuition fee are not refunded to the student under any condition.

l) Candidates applying through lateral transfer will be evaluated according to the “Regulations of Graduate Education and Examination” of our University.

Condition(s) of lateral transfer	-		
Place of Education	The education will be given in the new building of the Faculty of Applied Sciences in Bozüyük.		

DEPARTMENT of COMPUTER ENGINEERING

MASTER PROGRAM with Thesis

Program name	Computer Engineering (F.E.)	Quota	8
Program language	Turkish	Quota of lateral transfer	-
Condition(s)	To have a bachelor's degree from one of following departments; <ul style="list-style-type: none"> • Computer engineering, • Software engineering, • Electronic engineering, • Electrical and electronic engineering, • Information systems engineering • Computer science. 		
Condition(s) of lateral transfer	-		

DEPARTMENT of BIOENGINEERING

MASTER PROGRAM with Thesis

Program name	Bioengineering (F.E.)	Quota	10
Program language	Turkish	Quota of lateral transfer	2
Condition(s)	To have a bachelor's degree from one of following departments; <ul style="list-style-type: none"> • Bioengineering, • Biomedical Engineering, • Chemical Engineering, • Mechanical Engineering, • Biochemistry, • Biotechnology, • Agricultural Biotechnology, • Biotechnology and Molecular Biology, • Molecular Biology and Genetics, • Biology, • Pharmacy, • Chemistry, • Environmental Engineering, • Food Engineering, • Materials Engineering, • Materials Science and Nanotechnology Engineering, • Metallurgical and Materials Engineering. 		
Condition(s) of lateral transfer	Being a student of master with Thesis in the fields specified above.		

DEPARTMENT of BIOSYSTEMS ENGINEERING

MASTER PROGRAM with Thesis

Program name	Biosystems Engineering (F.E.)	Quota	6
Program language	Turkish	Quota of lateral transfer	-
Condition(s)	To have a bachelor's degree from one of following departments; <ul style="list-style-type: none"> • Agricultural Machinery • Agricultural Structures • Land and Water Resources • Agricultural Energy Systems • Agricultural Machinery and Technologies Engineering • Agricultural Engineering or Biosystems Engineering of the relevant faculties ,or to graduate from programs equivalent to these departments 		
Condition(s) of lateral transfer	-		

DEPARTMENT of BIOTECHNOLOGY

MASTER PROGRAM with Thesis

Program name	Biotechnology (F.E.)	Quota	10
Program language	Turkish	Quota of lateral transfer	3
Condition(s)	To have a bachelor's degree from one of following departments; Biochemistry, Biology, Biomedical Engineering, Bioengineering, Biosystems Engineering, Biotechnology, Biotechnology and Molecular Biology, Environmental Engineering, Pharmacy, Food Engineering, Chemical Engineering, Chemistry, Molecular biology and genetics, Agricultural Genetic Engineering, Medicine, Veterinary, Faculty of Agriculture		
Condition(s) of lateral transfer	Being a master student with Thesis in the fields specified above.		

DEPARTMENT of BIOTECHNOLOGY

DOCTORATE PROGRAM

Program name	Biotechnology (F.E.)	Quota	5
Program language	Turkish	Quota of lateral transfer	2
Condition(s)	To have a master's degree with Thesis from one of following departments; Biochemistry, Biology, Biomedical Engineering, Bioengineering, Biosystems Engineering, Biotechnology, Biotechnology and Molecular Biology, Environmental Engineering, Pharmacy, Food Engineering, Chemical Engineering, Chemistry, Molecular biology and genetics, Agricultural Genetic Engineering, Medicine, Veterinary, Faculty of Agriculture		
Condition(s) of lateral transfer	Being a Ph.D. student in the fields specified above.		

DEPARTMENT of ELECTRONIC and COMPUTER ENGINEERING

DOCTORATE PROGRAM

Program name	Electronic and Computer Engineering (F.E.)	Quota	8
Program language	Turkish	Quota of lateral transfer	3
Condition(s)	To have a bachelor's or master's degree in; To have a bachelor's or master's degree in Computer Engineering, Software Engineering, Electronic Engineering, Electrical Engineering, Electrical and Computer Engineering, Electronics and Computer Engineering, Mechatronics Engineering, Biomedical Engineering, Electrical and Electronic Engineering, Information Systems, Information Systems Engineering, Data Science, Data Engineering, Energy Systems Engineering, Computer Science.		
Condition(s) of lateral transfer	Being Doctoral Student in Computer Engineering, Software Engineering, Electronic Engineering, Electrical Engineering, Electrical and Computer Engineering, Electronics and Computer Engineering, Mechatronics Engineering, Biomedical Engineering, Electrical and Electronic Engineering, Information Systems, Information Systems Engineering, Data Science, Data Engineering, Energy Systems Engineering, Computer Science.		

DEPARTMENT of ELECTRICAL-ELECTRONICS ENGINEERING

DOCTORATE PROGRAM

Program name	Electrical and Electronics Engineering (F.E.)	Quota	3
Program language	Turkish	Quota of lateral transfer	-
Condition(s)	To have a master's degree with Thesis from one of following departments; <ul style="list-style-type: none"> •Electrical Engineering •Electronics Engineering •Electrical-Electronics Engineering •Electronics and Communication Engineering •Control and Automation Engineering •Biomedical Engineering •Mechatronics Engineering.
